Highlights:

- Total number of calls: 27
- Month with most calls: February
- Days of the week with most calls: Monday and Wednesday
- Time of day with most calls: 10:00 AM to 1:59 PM
- Most common call type: Medical - Illness

As part of the continued commitment to the community, the Comal County Sheriff's Office is providing you with some statistics related to your particular subdivision, in order to create awareness and help facilitate solutions to make your community safer and more enjoyable.

The statistics provided are limited to Calls for Service data, in an effort to provide information regarding the types of calls that deputies are responding to. Incident and offense data are not included in this report and there are other limitations due to legality concerns. Timeframe information is based on when a call was received and not necessarily when an incident actually occurred.
